High School AP Biology Prep Programs

For 2020 - 2021 School Year

This program is designed by **SAT by MBA Learning Center** to offer students the ultimate solution to advance their AP Biology scores efficiently and effectively. This is a 10+ weeks program and you may start any Saturday/Sunday for a continuous 10 weeks. After 10 weeks, you can decide if you would like to continue. If the following class time don't fit your schedule, you may contact us to arrange another group class (if you can find 4+ students) or sign on our 1-on-1 private lessons which is a lot more flexible and can better fit your busy schedules. For further information, please e-mail satbymba@gmail.com or call/text the business cell phone (973) 960-9093.

Textbook: TBD

Tuition: \$600 for the first 10-week and \$60 for each additional lesson (1.5 hours per lesson).
