

Montville Recreation Department's

SAT by MBA

Destined to Succeed.

WHO: Grades 9-12

WHAT: This program is designed by "SAT by MBA Learning Center" to offer students the ultimate solution to advance their SAT scores efficiently and effectively. The program's goal is to help students with their academic path in a time-conscious way. In Session One and Two, the program will cover all 3 standard SAT subjects: critical reading, writing and math. Other sessions offer options to register either SAT math ONLY class or SAT verbal ONLY class. If the students need to enhance both math and verbal levels, they will need to register both Session 3 and 4. The texts used in each session for different SAT test dates will vary; therefore, the student may register different sessions designed for different SAT test dates without repetition of course materials. There will be up to 5 "optional" mock exams offered by the SAT by MBA Learning Center at the office location in Parsippany. An optional Q&A session might also be offered after the mock exams.

Students will be required to secure an SAT blue book "the Official SAT Study Guide", 2nd edition published by the College Board (ISBN-13: 978-0874478525). For further program information, please check www.satbymba.com or call (973) 960-9093.
