

Montville Recreation Department's

SAT by MBA

Destined to Succeed.

WHO: Grades 9-12

WHAT: This program is designed by SAT by MBA Learning Center to offer students the ultimate solution to advance their SAT scores efficiently and effectively. The program's goal is to help students with their academic path in a time-conscious way. In Session 3, 6, 9 and 12, the program will cover both math and verbal (critical reading & writing) subjects. Other sessions offer options to register either math ONLY or verbal ONLY class. The texts used in each session for different SAT test dates will vary; therefore, the student may register different sessions designed for different SAT test dates without repetition of course materials. Additional teaching materials will also be offered during the sessions. There will be up to 5 free "optional" mock exams offered by SAT by MBA at the office location in Parsippany. An optional Q&A session might also be offered after the mock exams. Tuition will be prorated for late registrants.

Students will be required to secure an SAT blue book "the Official SAT Study Guide", 2nd edition published by the College Board (ISBN-13: 978-0874478525).
